“As a person who has been miraculously healed, I believe that the love and vision of the Healing Rooms is essential to God’s purposes today. It must be embraced by America and by the world if we are to see the expression of the true nature of the Kingdom of God in the earth.”

Mickey Robinson, Seagate Ministries,
Franklin, Tennessee

REV. CAL PIERCE is the director of Healing Rooms Ministries. God powerfully touched him during a service in 1996, and in November 1997, He led Cal and his wife Michelle to move to Spokane, Washington, and to seek His direction for ministry. As they prayed, fasted, and interceded, the Holy Spirit began to move. Intercessors and healing teams were raised up and trained, and on July 22, 1999, the healing rooms, which were first opened by the great preacher and evangelist John G. Lake were reopened. Since that day, thousands have been touched and healed by God through this ministry. The vision and ministry continue to spread as teams continue to go out from the Healing Rooms to give seminars and to provide training and assistance to new healing rooms springing up across the country and around the world.
